

HINDUSTAN ADHESIVES LIMITED.

Item Name: **BOPP tape** [(Biaxial Oriented Polypropylene) tape]

Material Safety Data Sheet

1. Product & Company Identification

Product:	BOPP Tape.
Product Designations:	BOPP Tape.
Manufacturer:	Hindustan Adhesives Limited.
Address:	Survey No. 380/P1, Village – Bhadreshwar, Tehsil-Mundra, Distt. Kutch.
Telephone:	+91 7033909590
Date of issue:	01.01.2019 & (Rev. 01 : 10.01.2021)

2. Hazardous Components

The above listed product may contain one or more hazardous chemical components. However, due to their incorporation into the structure of the product, exposure to such components is not anticipated under normal conditions of use.

3. Description of Hazards

Exposure to hazards of chemical components is not anticipated in normal use.

4. First Aid Measures

There are no known acute, immediate effects requiring treatment as a result of the use of this product.

5. Firefighting Measures

All extinguishing chemicals and methods are applicable. Self-contained, positive pressurized breathing apparatus should be used if available in fire conditions. Fire or very high temperatures (not normal conditions of use) can cause release of toxic smoke and fumes.

6. Accidental Release Measures

Not applicable.

7. Handling and Storage Guidelines

No special handling or storage precautions apply in respect to potential hazards.

8. Exposure Controls and Personal Protection

None required in normal use.

HINDUSTAN ADHESIVES LIMITED.

Item Name: **BOPP tape** [(Biaxial Oriented Polypropylene) tape]

Material Safety Data Sheet

9. Stability and Reactivity

Hazardous decomposition will occur only under fire condition. Various harmful compounds could be formed during combustion. No hazards associated with normal use.

10. Toxicological Information

Although hazardous chemicals may be used in this product, exposure to those chemicals and possible hazardous effects will not occur with the product in this form, in normal use.

11. Disposal Considerations

Dispose of per appropriate local regulations.

12. Transport Information

No special procedures required.

13. Regulatory Information

No known regulations apply.

14. Other Information

Although this product may contain hazardous components, we do not believe those hazards are present as manufactured or when used. Since the product meets the definition of an article, it is technically not subject to this regulation or MSDS reporting. This document is provided for informational purposes, and is not meant to imply that this product is hazardous.
